

**HI PAUL, IT'S
ROSEMARY**

Hi! What's up?

**IS THAT THE
NAME OF THIS
MESSAGING
SERVICE?**

**Jeez are you so
thick or you make
it on purpose?
what's happening!!**

**YOU MEAN WHAT IS
HAPPENING ON THE
OTHER SIDE OF THE
SCREEN?**

**Stop shouting!!
Disable the caps lock!**

**I AM NEW TO
TYPING! WHAT'S
HAPPENING? LET
ME CHECK MY
BIOLOGICAL
CLOCK...NY
TEMPERATURE! MY
BLOOD PRESSURE!**

**No one is interested in
UNIVERSAL measures!
personalized news.....
iTravel, iWeather. That sort
of thing!**

**AN i IN FRONT OF
EVERYTHING? PAUL
YOU CANNOT HIDE
YOUR ANCESTRY!**

**I hide what I want!
I customize my
own world!**

YOUR TECH FRIENDS MADE US REVEAL EVERYTHING. WHO YOU PRAY TO, HOW BIG YOUR PORTIONS ARE, FOR ONE OR FOR TWO. BUT IT QUICKLY ENDS AT PHYSICAL ENCOUNTERS YOU DO NOT RECOGNISE YOUR OWN FRIENDS.

Physical? No, thanks! Or maybe IF they wear facial masks!

YOU HAVE TO RECORD YOURSELF TO KNOW WHAT YOU SOUND LIKE. THEN SEEK FEEDBACK FROM AVATARS YOU'VE NEVER MET

They know me well. I give them daily update. The number of steps, toothbrushing movements

NUMBERS, PREDICTIONS, AS IF YOUR BODY WAS AN APP!! SNAP, SNAP, SNAP!! INTERPRETING FACES FROM MOVING EYES, TELLING FORTUNE FROM EMOJI CLUES.

I am half-human, half-technological!

**WHEN YOU ARE TAKEN
TO HOSPITAL
YOU NEED SOMEONE TO
TWEET ON YOUR BEHALF.
YOU REALISE WHAT IS
REAL TECHNOLOGY
AND WHAT JUST A MONEY-
MAKING MACHINE.**

**Haha! Bullocks! Btw.
without a filter you
look like a grey frog**

**THAT'S BECAUSE
YOUR MIND IS A FOG!
POURING RAIN OR
BLINDING SUNSHINE.
NOTHING IN-BETWEEN!**

**YOUR THOUGHTS ARE QUICK
BLACK-AND-WHITE LINES,
THE WORDS "SLOWLY" AND
"STEADILY" HAVE NOT
ENTERED YOUR DICTIONARY.**

**Whatever! Are you
Rosemary_123 on
Twitter?**

**AH TWITTER! ANOTHER PICTURE
FRAME, ANOTHER FAKE FACE
FILTER! BUT THE GAME ON ALL
YOUR SHINY PLATFORMS IS THE
SAME- MAKE EVERYTHING THEM
VERSUS US AND YOU WILL GET
MORE CLAPS!!**

It's called LIKES!! And the atmosphere is different on each platform! Only IDIOTS split their audience! Keep on target, take your fans from Insta to other platforms! Repurpose the same story to a different market!

WHY WOULD I BE SAYING THE SAME STORY TWICE?

Just share it out! it disappears in 24 hrs anyway

I SEE... SO EPHEMERAL

Ephe..what? Use normal words! Keywords, bullet points. Easy to tick off

I'M AFRAID THAT'S NOT HOW KNOWLEDGE IS MADE.

Bullshit! You should listen to Tom's podcast! Or take my Masterclass! I share how I did it and how you can do the same

TEACHING IS NOT ABOUT COPYING! AND SCHOOL IS NOT A SAUSAGE FACTORY!

Whatever! You're just wasting my battery!
